Recall Statement

Bill 36 breaks many existing laws including the Charter of Rights and Freedoms and the International Nuremburg code.

This Bill has had very little debate and no constituency town hall meetings whatsoever.

Premier David Eby invoked closure and cut off any further debate.

This is not a leader, This is a dictator.

Not one profession is immune to the overreach of government regarding our own personal health. **Bill 36 must be repealed.**

Our Health Care is in Crisis.

Bill 36 will decimate an already imploding health care system.

Longer wait lists, staff shortages will be the final nail in whatever is left.

We will see a mass exodus of more high quality health care practitioners fleeing our province.

In this scenario we all lose. Keep politics out of health care.

David Eby Must be Recalled.
