Dear Sir/Madam:

Here are the reasons why I want to recall BC Education Minister, MLA Rachna Singh.

Children are being indoctrinated in BC Public Schools by:

- showing children documentaries in elementary schools which involve sex acts and hence are age inappropriate
- keeping naked and semi naked pictures books in school libraries, which are age inappropriate
- encouraging children to perform surgeries that permanently mutilate their bodies, and without any say from parents
- some teachers telling children to keep the secret between them as teacher is their friend, parents are not their friends

Education Minister Rachna Singh has been approached via email and phone calls to her office by various people and organizations, but there simply has been no response.

This isn't acceptable. Education minister must be accountable to parents as is the intent of the education in British Columbia.

As such, I firmly believe that Rachna Singh is not fit for the MLA office.

Sincerely,

Gurdeep Jassal
